(We) had a fantastic experience with Duma Explorer. They provided an exceptionally high level of service, with many amenities, at an incredible value.

As we are not experienced mountaineers, we were pleased to find that Duma Explorer were concerned foremost with our safety, and provided patient and knowledgeable guides that were instrumental in our success. We felt that we were in good hands.

Duma Explorer did an outstanding job in planning and outfitting the safari. The automobile was an extremely tough and reliable Toyota Land Cruiser, the camping equipment was excellent, the campsites well chosen, and the itinerary versatile and custom-designed for our interests.

Duma Explorer is the best safari company ever! Don't bother wasting your time with anyone else."
